Join us for Stockholm's first AI & ML Job Fair

For companies - Registration required!*

Would you like to showcase your company to an exciting community of Artificial Intelligence and Machine Learning professionals? Apply now for a spot at the event by filling out this form.

Want to know more? Check out our FAQ in the registration form.

- Get exclusive access to the most exciting tech community today
- Save money by connecting with potential candidates directly
- Potentially connect with young candidates early on, before the best go out into the job market
- Connect with senior, experienced and non traditional candidates
- Increase your brand awareness by showing the community what you're all about
- Meet and network with other corporations

Be ready to network, and bring useful and original materials that highlight how your company uses AI / ML in your day to day operations.

September 2

- **12-1PM - Table setup**
- **1-5PM - Open to public**

Stockholm Waterfront Congress
